Thanks for participating in Thursday's UHRC Policy Group meeting. We discussed the UHRC's ongoing operations, the draft encampment protocols, and developing criteria to triage and prioritize requests for

assistance.

#### **Updated UHRC Contact Information:**

Email: [REDACTED]

Phone: [REDACTED] Privacy

Please note this is an internal phone line and email account only. UHRC contact information is not for public distribution.

#### **UHRC Operations:**

- The UHRC continued its operations, from 7am to 5pm, Monday - Thursday.
- LASAN will provide specific CSLA locations to the UHRC one week in advance of the scheduled cleanup date. HOPE Team locations will be provided that day.
- The UHRC sent its first "Daily Activities Email" with information on the day's CSLA and HOPE locations and activities. Please let us know if there is information you'd like to have included in these emails, or if there are additional staff to whom you'd like the emails sent.
- The UHRC is developing criteria to triage and prioritize requests for assistance. A draft will be circulated to the Policy Group at a future meeting. The group discussed consideration of the following factors:
  - A Bridge Home Shelters / Special Enforcement & Cleaning Zones
  - Very High Fire Hazard Severity Zones (VHFHSZ)
  - Vulnerable Populations - LAHSA Voucher Definition
  - Sensitive Locations (e.g., schools, etc.)
  - Access to Private Property (e.g., driveways and businesses) - Industrial Skid Row
  - Proximity to Disability Centers and Clinics

#### **SALUS:**

- HSAC provided a demonstration of SALUS for the Policy Group.
- HSAC is still working to have the app rolled out City-wide within the next month or two.
- HSAC is working on obtaining licenses and credentials for City staff to use SALUS and the GeoHub.

#### **Training:**

- On Monday, July 30th, The People Concern will provide trauma-informed care training to the UHRC staff.
- On August 6th, the City Attorney's Office and LASAN will provide L.A.M.C. 56.11 Training to the UHRC staff.
- The Mayor's Office is working with LAHSA to provide outreach practices and protocols training to the UHRC staff at a future date in August.

#### **Encampment Protocols:**

- The Policy Group discussed the draft encampment protocols. The City Attorney's Office will be providing comments and suggested edits to ensure the protocols are consistent with existing City codes and regulations. Additionally, the County will be providing feedback after discussing the draft protocols at its next E6 Coordination Meeting on Tuesday, July 31st.

#### **Additional Items:**

- CD14 requested the Special Enforcement & Cleaning Zone signs also be made in Spanish. The Mayor's Office had the sign translated and sent the updated information to LASAN. Both the English

and Spanish signs will be finished this week.

**The next UHRC Policy Group meeting will be Thursday, 8/2, at 1pm in CENTCOM, 22nd Floor - City Hall.**

Notes from the 7/19 UHRC Policy Group meeting are attached for your reference.

Please let me know if you have any questions, or if I have missed (or misstated) anything from the meeting.

Thanks so much!

Brian
